# Who we are?

Welcome to the pinnacle of innovation and service excellence - welcome to **Phoenix Aluminium & Glassworks LLC**. With a steadfast commitment to precision and excellence, we emerge as a prominent figure in the realm of glass and aluminium fabrication and installation. Our roots firmly planted in Ajman, UAE, we have cultivated extensive expertise over the years, earning a reputation for reliability and quality. At **Phoenix**, we go beyond mere construction; we craft experiences. Our comprehensive range of services encompasses everything from aluminium windows and doors to curtain walls, cladding walls, hand and guard rails, soundproof domes, sky lights, and mirrors. Additionally, we excel in executing repairs and installing cutting-edge automatic and folding doors, all delivered with an unwavering focus on superior craftsmanship and competitive pricing. With each project, we redefine industry standards, transforming spaces and exceeding expectations.

# Our Services

**Phoenix Aluminium & Glassworks LLC** offers a comprehensive array of services tailored to meet diverse construction and interior needs. Specializing in aluminium fabrication and installation, we bring expertise to projects ranging from windows and doors to intricate partition profiles. Our proficiency extends to all facets of glasswork, including the creation of bespoke designs and installations. We execute handrail works and diverse steel structures, ensuring both safety and aesthetic appeal. Our services further encompass kitchen cabinet works and ACP cladding, elevating interiors with functionality and style. Additionally, we excel in the installation and maintenance of automatic doors and gates, enhancing convenience and security. For outdoor spaces, our expertise extends to aluminium pergola design and works, combining craftsmanship with outdoor living solutions. We also undertake all kinds of maintenance projects, ensuring longevity and functionality for every structure we touch.

# All Kind of Glass Work

From standard glass installations to custom-designed glass features, our glasswork services cover a wide spectrum of applications. We work with a variety of glass types, including clear float glass, tinted glass, frosted glass, and tempered glass, to create functional and visually stunning architectural elements such as windows, doors, facades, and partitions.

# Handrail Works

Our handrail works combine functionality with design aesthetics to provide safety and enhance the architectural appeal of indoor and outdoor spaces. We offer a range of handrail materials, styles, and finishes, tailored to complement the overall design scheme and meet safety standards.

**PHOENIX**  
ALUMINIUM AND GLASS WORKS L.L.C

# All Kind of Steel Works

Our steel fabrication and installation services encompass a diverse range of applications, including structural steelwork, steel frames, staircases, railings, and decorative features. We employ skilled craftsmen and utilize state-of-the-art equipment to deliver high-quality steelwork that meets structural integrity requirements and design specifications.

**PHOENIX**  
ALUMINIUM AND GLASS WORKS L.L.C

# Kitchen Cabinet Works

Our kitchen cabinet works involve the design, fabrication, and installation of custom kitchen cabinets tailored to our clients' specific needs and preferences. We offer a wide selection of materials, finishes, and configurations to accommodate different kitchen layouts and styles, ensuring functionality, durability, and aesthetic appeal.

**PHOENIX**  
ALUMINIUM AND GLASS WORKS L.L.C

# ACP Cladding

Aluminium Composite Panel (ACP) cladding offers a versatile and cost-effective solution for enhancing the exterior appearance and weather resistance of buildings. Our ACP cladding services include material selection, fabrication, and installation, utilizing premium-grade panels and advanced installation techniques to achieve superior durability and visual impact.

# Automatic Doors & Gate

Our automatic door and gate systems offer convenience, security, and accessibility for residential, commercial, and industrial properties. We provide comprehensive services, including installation, programming, maintenance, and repair, utilizing reliable automation technologies and adhering to safety standards for optimal performance and longevity.

**PHOENIX**  
ALUMINIUM AND GLASS WORKS L.L.C

# Aluminium Pergola Design & Works

Pergolas add architectural interest and functional outdoor living spaces to residential and commercial properties. Our pergola design and construction services encompass custom design consultation, material selection, structural fabrication, and installation, resulting in durable, stylish, and comfortable outdoor environments tailored to our clients' preferences and usage requirements.

# All Kind of Maintenance

Our maintenance services are designed to ensure the longevity, safety, and performance of our clients' structures and installations. From routine inspections and preventive maintenance to repairs and refurbishments, we provide comprehensive maintenance solutions tailored to the specific needs and conditions of each project, helping our clients protect their investments and maintain the value and functionality of their properties over time.
